Re: U.S. v. Jonathan Moynahan Larmore
Case No. 24 CR 140 (PAE)

Dear Judge Engelmayer:

At the defendant's sentencing on March 18, 2025, the Court imposed a prison sentence of 60 months. At the time, the undersigned requested the Court recommend a facility nearest to his family. The Court agreed to allow the defense until today to make a more specific request depending on the family's planned living arrangements for the next several years. Since then, the undersigned has been advised by the defendant that his fiancée is planning to live with her parents and Mr. Larmore's son at their homes in Indiana and Ohio. They have advised that the low level facility at Milan, Michigan is most convenient to those locations.

Accordingly, the undersigned respectfully requests that the sentencing order signed by the Court on March 18, 2025, be amended to include a recommendation by the Court that the defendant be designated to the federal prison in Milan, Michigan.

Respectfully submitted,

/s/ Richard M. Asche
